17 October 2025

Dear Sir/Madam,

**The Broadland District Council Cawston Tree Preservation Order 2025 No. BD0776**  
**Tree(s) at : Land To The South Of 1 William Bush Close And 58 Norwich Road Cawston**  
**Norfolk NR10 4EU**  
**Easting : 613764 Northing : 323327**

Broadland District Council has served a new Tree Preservation Order (TPO) to protect tree(s) at the location detailed above. A copy of the TPO is enclosed. The Council has served this TPO because This tree has scored a significant TEMPO (Tree Evaluation Method for Preservation Orders) score which indicates it is suitable for a TPO. The tree not only provides amenity value to the setting, but also provides a wealth of benefit to many birds, mammals and insects.. Should you wish to comment or object to the TPO, details of how to do so are set out on the Notice; you can use the enclosed reply form for your comments.

Further information is set out on the back of this letter. If you have any other questions or concerns, please do not hesitate to contact us.

Yours faithfully

**Natalie Scurr**  
**Assistant Conservation And Tree Officer**

## New TPO (Tree Preservation Order) - Frequently Asked Questions

### **Why has the TPO been served on me?**

You have been sent this TPO because you are an owner and/or occupier of land on which the tree(s) is/are growing, or that is next to where the tree(s) is/are growing. Alternatively, we may have needed to send it to you as you are in some other way formally connected with the site. We need to tell you about the TPO in order you are aware of the legal restrictions that it imposes, also so you can object or make other comments should you wish to do so.

### **The tree(s) is/are on my neighbour's land, so why have I received the TPO?**

We are required to tell you about the TPO as the tree(s) may overhang or grow to overhang your land. If they do, you will be subject to the restrictions that the TPO imposes. It may also be the case that the roots encroach your land; the TPO protects the tree roots in addition to the rest of the tree, so you must take care not to do any damage to these either.

### **I am a tenant of the property, so why have I been contacted?**

Wherever possible we contact both the owner of the property and any other interested parties such as tenants. Sometimes is not easy to know who these are, so if you think that we have not contacted someone who should be told about the TPO, please let us know. If you are a tenant, please tell us and also let your landlord know that you have been sent this TPO.

### **What if my name and/or other details is/are not correct on the TPO documents?**

Please let us know as soon as possible and we will resolve this. If necessary, we will re-issue the documents and adjust the consultation period if necessary.

### **Who else has been informed about the TPO?**

In addition to the tree owners and their neighbours, we let the relevant Parish/Town Council, District Councillor(s) and the Parish Tree Warden(s) know about the TPO. If the tree is close to the highway, we will also inform Norfolk County Council.

### **Why was the TPO sent by recorded delivery or delivered by hand?**

As the TPO and the Notice are legal documents, we need to be sure that they have been received safely. We endeavour to time the posting of TPOs so that they arrive at residential properties on Saturdays, which is a day that more households will have at least one person at home to receive them, but sometimes this is not possible. We apologise if the need to sign for the TPO caused you any inconvenience.

### **How do I make objections to the TPO, or provide other comments?**

The Notice that accompanies the TPO sets out the date by which comments should be received; it is usually at least one month from the date the TPO is served. We have provided a standard form on which you can make comments, but you are not obliged to use it. In order to be sure that they are considered all comments must be made in writing by the deadline stated. If for any reason you need longer to make comments, please let us know why and we will do our best to help.

### **Must I make comments to South Norfolk Council regarding the TPO?**

No, you do not need to make an objection or other comment if you do not wish to. If you are supportive of the TPO it would be good, though not essential, to know this as well.

### **Who do I contact if I have any other questions not covered by this?**

General information about TPOs can be found via the Planning Practice Guidance website at [planningguidance.planningportal.gov.uk](http://planningguidance.planningportal.gov.uk) . If this does not provide the information you require please email the Council at [Planning@southnorfolkandbroadland.gov.uk](mailto:Planning@southnorfolkandbroadland.gov.uk) or call 01508 533780 / 01603 430509
